

Town of Elk Mound Board Meeting 3-25-2024

The Town of Elk Mound board meeting was called to order by Chairman Tony Christopherson at 7 pm. The meeting was posted in compliance with open meeting law at ISB, PO, Town Hall and the website. Board members present were Tony Christopherson, Jeffrey Klemp, Dennis Rhead and Carolyn Loechler.

Other Business: Tony Christopherson received a phone call from Karen Solberg on the snowmobiles in the neighbor's yard. The board will ask them to move them away from the road.

The progress of the removal of the burned mobile home in Tom Cartwright's lot will be looked at by the town board.

863rd: 863rd St is not listed on the WISLR map. This is a private road and the Town of Elk Mound has been plowing this for some time. The cul de sac does not meet the minimum standards of the Town of Elk Mound Road Standards Ordinance so the Town of Elk Mound cannot assume the road. The town can only plow and maintain up to the cul de sac.

ARIP 970th St: The DOT will not be paying for the Railroad arms on 970th. The Town of Elk Mound will be able to apply for the ARIP Grant on the road but not the railroad crossing.

Other Business: Building Inspector duties were discussed. The state requires commercial and new homes to be inspected. A home owner can choose to get remodels, screen in porches etc. inspected if they choose to do so. The town chairman will review the building permit ordinance and see what we need to do to adjust it per state requirement.

640th Avenue speed limit signs will be put on April's agenda.

Tony Christopherson went to the ADU County meeting. The Town of Tainter was against ADU's in R1 zoning. The Town of Otter Creek also did not want them. The Town of Menomonie is against ADU's in R1. A few people were for ADU's. Gary Bjork was against ADU in R1 and General Ag.

Dennis Rhead made a motion to move to closed session. Jeff Klemp seconded the motion. Motion carried. The board moved to closed session to discuss personnel at 8:00 pm.
