

Town of Elk Mound Special Town Board Meeting
Thursday, May 3, 2018
7:00 p.m.

The Special Town Board meeting was called to order by Chairman Elton J Christopherson. The meeting was properly noticed at the Town Hall, Bremer Bank, and the Post Office and website. The meeting was called to order for the consideration of a new lawn mower for Barum Cemetery and to look at the roads. Marvin Michels, Elton Christopherson and Jeffrey Klemp were present.

All agreed to purchase a 2920 M Commercial Z track John Deere with a mulcher added. We considered Z John Deere Models and Z Kubota Models. Marvin Michels test drove all of them in our presence and with cemetery staff on 4/28/2018. Presentations and review lasted 3.5 hours. All the viewing and testing took place at the Barum Cemetery. The John Deere was more suitable and very competitively priced.

Three roads were also discussed.

1. 520th will cost approximately \$40,000 but the Town will receive TRIP money for this road. It will be about \$10,000 to shoulder the road.
2. 765th will be \$5000 to 10000.
3. 830th will be about \$160,000.

We discussed fixing 1 and 2 and just doing the culverts on 3 and finishing #3 next year. 910th was also discussed. It's .81 miles and would cost about \$60,000.

Marvin Michels, Elton Christopherson and Jeff Klemp also looked at the curve on 906th street.

Jeff Klemp made a motion to adjourn the meeting. Marvin Michels seconded the motion. Motion carried. The meeting adjourned at 8:30 p.m.

Respectfully Submitted,
Carolyn Loechler, Clerk
